Chartered Accountant (ACA / CA)
[Executive Portfolio](#)

Accomplished and strategic Finance Leader & Chartered Accountant with 17+ years of progressive experience spearheading global accounting, controllership, financial governance, shared services, and finance transformation across multinational organizations. Extensive expertise in building and scaling Global Capability Center (GCC) finance operations from inception, managing multi-country legal entities, and strengthening enterprise-wide financial control environments.

Demonstrated success across US, European, APAC, and Australian controllership operations spanning all towers of Accounting and FinOps under US GAAP, IFRS, and IndAS. Recognized for driving 6+ post M&A integrations, over 20+ 100% clean Big 4 audits, and enterprise close acceleration via Netsuite/Onestream/Blackline/FloQast/SpendFlow. Also worked on various automation projects, such as financial preparations through Workiva, Billing/collections through Salesforce/Netsuite, S2P through Tipalty/Netsuite, and Group reporting through Onestream

Professional Career Highlights

- Built & Scaled India GCC Finance Hubs:** Established centralized finance operating models covering all the verticals of accounting, controllership and FinOps for Jumio and Clarivate supporting worldwide legal entities.
- 6+ Successful Post-Merger system/process Integrations:** Led full-lifecycle finance integration, systems migration, chart of accounts unification, goodwill impairment valuations, and statutory entity amalgamations/liquidation.
- 100% Clean Big 4 Audit Track Record:** Managed statutory and group audits across 20+ legal entities in partnership with PwC, consistently securing clean opinions and zero unresolved audit observations.
- Digital Close Automation via Netsuite/Onestream & BlackLine/FloQast :** Deployed automated financial statement preparation in Workiva and real-time reconciliation controls in BlackLine, drastically reducing close cycle time.
- Transfer Pricing & Cross-Border Governance:** Engineered multi-country TP markup models, automated intercompany settlements, and cross-border billing frameworks ensuring full tax compliance

JUMIO CORPORATION | Global Controllership & GCC Leadership

Associate Director – India Finance Lead / Global Controllership | June 2026 – Present

- **Global Finance Operations & Process Leadership:** Lead end-to-end delivery and governance across all finance process towers including People Cost Accounting, R2R, O2C, P2P, Accounts Payable, Accounts Receivable, Billing, Collections, Sourcing, and Intercompany for worldwide entities.
- **Multi-GAAP Reporting & Close Governance:** Drive month-end, quarter-end, and year-end consolidated close ensuring 100% compliance with US GAAP, IFRS, Ind AS, and local statutory requirements across multiple jurisdictions.
- **Audit & Internal Financial Controls:** Direct global audit engagements with Big 4 firms (PwC); champion SOX compliance, journal approval governance, and BlackLine account reconciliation certifications.
- **Revenue Accounting & Commercial Partnership:** Lead revenue recognition under ASC 606 / IFRS 15, partnering with commercial and legal leadership to resolve complex contract structures and align operational execution with financial outcomes.
- **Finance Automation & Transformation:** Spearhead centralized accounting frameworks, deploying Workiva for automated financial statement production and BlackLine for real-time reconciliation controls.
- **Post-M&A Integration & Amalgamation:** Direct finance integration for acquired entities, aligning chart of accounts, overseeing goodwill impairment assessments, and executing statutory legal entity amalgamations.
- **Tax & Transfer Pricing Architecture:** Partner with global tax teams to establish transfer pricing markups, intercompany billing mechanisms, and cross-border cash settlements.
- **Team Building & GCC Scaling:** Build and mentor high-performing cross-functional finance teams, fostering a culture of accountability, continuous improvement, and operational excellence.

CLARIVATE | Global Controllership & Entity Leadership | June 2019 – May 2026 (7 Years)

Senior Manager – Accounting / Global Controllership(April 2023 – May 2026)

Area Controller / Legal Entity & Business Unit Controller(June 2019 – April 2023)

- **Multi-Country Legal Entity Controllership:** Owned end-to-end accounting, reporting, compliance, and controllership for international legal entities across India, Singapore, Malaysia, Australia, and the US.
- **5+ Post-M&A Integrations:** Spearheaded finance and accounting integration for 5+ global acquisitions into centralized operating models, harmonizing systems, reporting structures, tax compliance, and legal entity amalgamations.
- **Big 4 Audit Coordination:** Led statutory and corporate audits with PwC across 10+ legal entities, successfully remediating historical management letter points and internal audit observations.
- **Financial Reporting & Multi-GAAP Compliance:** Managed statutory financial statement preparation and multi-GAAP reporting (US GAAP, IFRS, Ind AS), ensuring reconciliation between local statutory and corporate ledgers.
- **Impairment & Valuation Assessments:** Led goodwill impairment testing and subsidiary investment valuations, preparing technical accounting documentation for corporate governance.
- **Close Governance via BlackLine:** Oversaw reconciliation certification and financial close controls through BlackLine, resolving legacy reconciling items ('R' items) to maintain ledger integrity.
- **Finance Automation:** Centralized accounting processes using Workiva and BlackLine to automate reporting, reconciliations, and controls.
- **Tax & Transfer Pricing:** Established transfer pricing, intercompany billing, and cross-border settlement frameworks.
- **Global Consolidation & Eliminations:** Led global consolidation and intercompany elimination activities across multiple legal entities, ensuring accurate group reporting, elimination of intercompany balances and transactions, and compliance with US GAAP, IFRS, and Ind AS reporting requirements.
- **India GCC Expansion:** Played a central role in building and scaling the India GCC finance function, mentoring a team of 25+ finance professionals and establishing robust performance frameworks.

VEOLIA | Controllership & Business Finance Leadership

Deputy Manager – Finance & Accounts / Controllership | November 2013 – June 2019

- **Led monthly financial close, expense accruals, balance sheet reviews,** budgeting, and rolling forecasts for major industrial projects.
